

Login to the application HDU

1. Enter the URL <https://histlive.mithi.com/> in the browser address bar.
2. Enter the **User Id** and **Password** & click the **Login** button. For the credentials, please refer the email received on Vaultastic domain provisioning.

The screenshot shows a login interface for the 'Historical Data Uploader' application. At the top, there is a logo consisting of a clock icon with an upward arrow, followed by the text 'Historical Data Uploader'. Below this, there are two input fields. The first is labeled 'Email Id =' and contains the text 'mark@baya.in'. The second is labeled 'Password =' and contains a series of dots representing a masked password. At the bottom center of the form is a button labeled 'Login'.

On the first login, you will be prompted to reset the account password. Re-login to the portal using updated password.

The image shows a web form titled "Historical Data Uploader" with a clock icon. It contains two password input fields: "New Password" and "Confirm New Password". Both fields have asterisks for masked text. A yellow "Change" button is located at the bottom of the form.

3. On successful login, you can see the list of jobs already submitted by you. Each job submitted will be shown in a row. For each job, you will see information such as the Job ID, Creation and Submission Date. The Job Type column shows the type of job. In job details, you will see the source and destination parameters.
4. The status column will show the **current status** (<https://docs.mithi.com/home/frequently-asked-questions-about-the-historical-data-upload-application#what-are-the-different-stages-in-the-upload-process-and-how-long-will-it-take-in-each-stage->) of the job.
