

Accessing the Admin Panel (Moved to KnowledgeBase HelpDesk)

How do I access the Admin Panel?

By default, every Vaultastic domain has a system account called postmaster. When you login with the credentials of the postmaster account, you will be taken to the Admin Panel. In addition, you can assign a [junior or senior admin roles](https://docs.mithi.com/home/how-to-assign-administrative-roles-in-vaultastic#overview-of-the-administrative-roles-in-vaultastic) (<https://docs.mithi.com/home/how-to-assign-administrative-roles-in-vaultastic#overview-of-the-administrative-roles-in-vaultastic>) to other users on Vaultastic. Any user with an admin role will have access to the Admin Panel.
