Vaultastic Open Store S3 credentials

To get the S3 bucket name and the S3 folder path corresponding to your Vaultastic domain's Open Store, do the following:

1. Login to your Vaultastic Account

2. Navigate to the Open Store App

3. Select the domain

4. The application will show the path of your Open Store in the top left.

   - This will look like : ***mithi-ind1-vaultastic-legacystore > baya-com.vaultastic.com >***
   - ***The first part denotes the S3 bucket name***
   - ***The second part denotes the S3 folder path***
